

Ice cube maker - Ice-cold refreshment!

From cocktails to the refrigeration of food - ice cube makers by Bartscher for any occasion

Caipirinha, Pina Colada or Sparkling Kiss - Cocktails like it icy!

Even on fresh food counters and at buffets the cool cubes keep delicate tidbits at right temperature, so that the goods keep their quality and flavours. Bartscher offers the appropriate appliances for almost any kind of requirement. Some models even allow you to alter the size of the ice cubes.
