Where the action is: High-Class mixer for colourful versatility in the kitchen and bar

Smoothies made of fresh vegetables and "wild" herbs, high-vitamin fruit bombs, hot soups from offerings of the season - these are just a few of the healthy ideas of how to lavish your guests with well mixed delicacies.

Classic cocktails and tasty new creations are very popular at bars: Daiquiris, Pina Coladas & co., non-alcoholic cocktails or mixed drinks help you to add a touch of "dolce vita" to your guests' lives.

Only the best for you: with our Hamilton Beach models we offer premium class mixers and blenders. Powerful motors and excellent workmanship keep everything running smoothly despite heavy use. The attractive classic design is an eye-catcher behind any bar.

From the drink mixer for individual drinks down to the blender with an output of 600 watts and a capacity of 1,8 litres - no matter what your requirements are, this makes mixing pure fun.
