

LUXOR COLLECTION

Before Luxor...!!!

The new studied dimensions + the lightness of the structure with integrated «invisible» handles multiply the display space and optimise visibility from the first to the last level!

Won over at first sight!

SPECIAL FEATURES: THE DETAILS THAT MAKE THE DIFFERENCE

- Display compartment in tempered glass with led lighting
- Lower structure in special anti finger print steel, without frontal holes. Invisible wheels!!
- Panel control board with HACCP alarms

Two dimensions available: length
80,5 cm
(mod. ...8Q) and, for the Slim
models, length
60 cm (mod. ...6Q)
